The Mitcham Family

While growing up in the rural areas of Georgia, farming, and canning became a way of life for Robert Sr. & Patsy Mitcham. During high school, Robert was active in agriculture and his local FFA chapter. He helped in running a canning plant at that school and later became an agriculture teacher and lead in the running of the local canning plant for Rabun County.

Now three generations run the cannery, farm and agritourism operations at Hillside Orchard Farms. We pride ourselves in helping other farmers with finding uses for their fruits and vegetables that need some TLC. We also love showing the public a little more about growing, fun on the farm and good food

While growing up in the small town of Brooks, Ga. Miss Davie's family always enjoyed her traditional southern BBQ. During her lifetime, Miss Davie made many batches of her famous sauce for her family and the Annual Campground BBQ at Trinity UMC in Durand GA. Today, the next three generations of the Mitcham family are keeping the tradition alive by offering Miss Davie's BBQ Sauce as a core product at Hillside. We also invite you to try Granddaddy's sauce "Mr. Nolan's." and yes, we still supply the sauce for the Annual Church BBQ.
