Hillside Orchard Farms
105 Mitcham Cir
Tiger GA 30576
706-782-4995

Growing up in the rural areas of Georgia, farming and canning became a way of life for Robert Sr. (1943-2023) and Patsy Holcomb Mitcham. During high school, Robert was active in the Agriculture Dept. and his local FFA chapter. He helped run the canning plant in his home county of Merriweather and later become an Agriculture teacher at Rabun County High School where he ran the canning plant for many years.

With the addition of 3 Great Grand Children, 4 generations are involved in the Hillside operations. We pride ourselves in helping other farmers with finding uses for their fruits and vegetables that need extra love in our processing plant. Additionally, you can visit our Country Store which gives you a taste of all the products we manufacture along with fall fun, pick your own, corn maze, a gem mine, Grandpa's barnyard, train rides and hayrides (18 Sorghum Mill Drive, Lakemont, Georgia).

Barbeque Sauce

Miss Davie's & Mr. Nolan's

While growing up in the small town of Brooks, Georgia, Miss Davie's family always enjoyed her traditional Southern BBQ. During her lifetime, Miss Davie made many batches of her famous sauce for her family and the Annual Campground Barbeque at Trinity Methodist in Durand, Georgia. Today, the next three generations of the Mitcham family are keeping the tradition alive by offering Miss Davie's BBQ Sauce as a core product at Hillside. We also invite you to try Granddaddy's sauce, "Mr. Nolan's" (and yes, we still supply the sauce for the annual church barbeque).

Private Label with Us

As a service to our customers, Hillside Orchard Farms private labels many of the products we produce. We are glad to label in such a way as to promote these products to help build your sales base.

Send art and Private label info sheet to
Kiley Houston @
kiley@hillsideorchard.com

- * There is a \$500 minimum to become a private Label Customer
- *Your chosen artwork will be submitted within the following parameters:
 - *Art work for Option 1 should be provided in vector art (line art) 400 DPI
 - *Art work for Options 2-4 should be in a digital format JPG, EPS, AI, or PDF min 600 DPI
- ***There is a Art Charge of \$35 for all Initial hour Label Development, additional art is \$50 an Hour.**
This includes 3 choices, additional charges for sections may incur.
- *Hillside Must have a Signed Proof before any labels are printed
- *Special Naming of products is allowed on initial order as long as they comply with FDA and DOA Rules
- *All labels must be approved by Hillside & the Georgia Department of Agriculture prior to printing.
 - *Label options are limited to one base label.
 - *We do not print labels for products not produced by Hillside

We offer 4 Private Label Options, a Hillside label, or the choice to forgo a label with a Unlabeled Product Agreement.

Label development may take up to 2 weeks during peak season.
Please be patient and we will accommodate you as efficiently as possible.

Option 1

Labels Printed at Hillside on your choice of blank stock with Black, Red, Green, or Blue print. These Labels come in two different sizes to accommodate all jar sizes. Your name and product information will be printed in house in all one color. A simple graphic may also be added but be the same color as the printed text. The customer should provide the graphic. Once the label is completed, a label proof will be sent to the customer for approval. At this time you should verify address phone number and zip code. When a signed approval is received, the product order will be labeled and shipped.

The cost of this label option is \$2.00 per case.
Samples are available on our website at www.hillsideorchard.com

Option 2

Your full color logo is printed by a label company on thermal stock by a printing company. The customer may have the label designed and provide us with artwork. At time of labeling product, Hillside Orchard Farms will print the product information on the label in the customer's choice of black, blue, red or green print (thermal printing). Hillside does not charge for this option, but you will be responsible for the cost of the thermal stock from the printing company.

Option 3

Full color ink jet labels can be printed at Hillside. There is a set up fee of \$35 per label base, additional art charges may occur. Label cost is \$2.00 per case. The customer should provide the graphics in either a digital or clean scannable format JPG, EPS, AI or PDF minimum 600 DPI. Optional backgrounds appear on our website at www.hillsideorchard.com, or you have the option to create your own.

Option 4

Full color labels can be printed at a printing company. Hillside will assist you in designing your finished label and working with our printing company. We will provide ingredient statement and a nutritional panel for products purchased from Hillside. You must provide your own barcode. You will be billed for the cost of printing the label and any art charges from the printing company. Hillside will provide an hour of free art and correspondence time. Additional labor will be billed at \$35 an hour.
