Growing up in the rural areas of Georgia, farming and canning became a way of life for Robert Sr. (1943-2023) and Patsy Holcomb Mitcham. During high school, Robert was active in the Agriculture Dept. and his local FFA chapter. He helped run the canning plant in his home county of Merriweather and later become an Agriculture teacher at Rabun County High School where he ran the canning plant for many years.

With the addition of 3 Great Grand Children, 4 generations are involved in the Hillside operations. We pride ourselves in helping other farmers with finding uses for their fruits and vegetables that need extra love in our processing plant. Additionally, you can visit our Country Store which gives you a taste of all the products we manufacture along with fall fun, pick your own, corn maze, a gem mine, Grandpa's barnyard, train rides and hayrides (18 Sorghum Mill Drive, Lakemont, Georgia).
